Strategic Plan Overview – approved by IFEES Gen Assembly, October 1, 2007 in Istanbul

Vision
To foster and enhance the capabilities of an active global community of stakeholders empowered to advance engineering education (EE) worldwide.

Mission
Provide a global network to leverage the collective resources of members in fulfilling their individual missions by identifying, discussing and advancing common objectives of the EE community.

Action Areas:

Area 1
Engineering Education Infrastructure

Area 2
R&D and Entrepreneurship

Area 3
Student Attraction and Success

Area 4
Lifelong Learning

IFEES
INTERNATIONAL FEDERATION OF ENGINEERING EDUCATION SOCIETIES
